June 27th, 2023

Dear Parents/Carers,

As you will be aware, we completed our OFSTED inspection on Tuesday and Wednesday of last week, and would like to thank our staff, children, parents/carers and governors for their contribution to the inspection. We were proud of the children and the way they represented the school, confidently sharing their work, reflecting on their learning and engaging with inspectors in class, in small groups and at break/lunchtimes.

We will share the report with you as soon as we are able to following the OFSTED report timings and quality assurance procedure. As you can appreciate, we cannot share any information with you prior to receiving the final report, which given the timescale outlined below is likely to be after the end of term, unfortunately (if it is available sooner, we will share it then).

Inspecting schools: guide for maintained and academy schools

After the inspection visit

The lead inspector will write a report setting out the inspection findings.

We send the draft report to the school, usually within 18 working days of the end of the inspection. The school has 5 working days to comment on the draft report, inspection process and findings.

Typically, we will send the school an electronic version of the final report within 30 working days of the end of the inspection. In most circumstances, we will publish the final report on the Ofsted reports website within 38 working days of the end of the inspection.

We send a copy of the report to:

- *the school's headteacher*
- *the local authority*
- *the appropriate authority or proprietor (for example, the governing body or the academy trust where the local authority is not the appropriate authority)*
- *other prescribed persons such as the Department for Education or the Education and Skills Funding Agency*

The school must also supply a copy of the report to all parents of registered pupils at the school.

Kind regards

Duncan Rose
Headteacher

Louise Gibson
Chair of Governors
