Dear Parents/Carers,

**New gate**

To allow access to the community land to the south of the school grounds at all times, a **self-closing 'kissing gate'** has been installed over the weekend by CWAC, as pictured at right.

While this will inevitably be of great interest to the children, **this gate is not to be used by pupils coming to/from school**, when the large gate is open, due to the potential for accidents, congestion and excessive wear and tear.

**Reducing potential risk from dogs at busy times**

A sign is also to be installed to politely dissuade dog walkers from accessing the path to the community land during school drop-off/pick-up time, to minimise the potential risk of distress to both children and dogs when the path is congested.

The times to be avoided are:  
08:40 – 09:00 and 15:00 – 15:20.

This request also applies to parents accompanying their children to school – please do not bring a dog with you at these times.

Kind regards,

Duncan Rose  
Headteacher

**DOG WALKERS**

We politely request that in order to avoid potential distress for children and/or dogs, dog walkers should not use this path at the start and end of the school day.

**The times to avoid are:**  
08:40 – 09:00  
and  
15:00 – 15:20

Please also ensure that your dog is kept on a lead at all times when near the car park or school gates.

Thank you for your understanding,  
The Governing Board of Huntington CP School
